# Proposal Application

Thank you for your interest in the Blackwell Public School’s Foundation’s “Grants-for-Kids” Program. The Allocation Committee will review and rank all applications based on need, creativity, and enrichment value.

To insure anonymity during the competitive selection process, the Committee members do not have access to applicant’s names or schools. A copy of the Proposal Review Form used by the Committee in scoring each grant has been attached hereto.

The “Grants-for-Kids” will be awarded twice yearly. Proposals are due on November 1st for the fall semester allocations and April 1st for the spring semester allocations.

The Committee will approve the grants with the highest average scores, up to the total amount available each semester, to be awarded by the Foundation. The highest scoring grant will be recognized as the “Linda Rodgers Award.” Good Luck and Be Creative!!
